From the North Carolina Department of Health and Human Services (NCDHHS)

If you are an essential worker of COVID-19 Essential Businesses and Operations (as defined in [Executive Order 121](#)) and are in need of emergency child care because of COVID-19 closures, there are a number of resources available to ensure that your children are safe and taken care of.

- 1. To receive information about local options for children from infants through age 12, call the [hotline](#) at **1-888-600-1685**. Families will be connected with child care programs that agree to meet updated health, safety and operational guidelines.*
- 2. After calling the [hotline](#), contact **the recommended child care program** to receive the proper enrollment forms.*

3. If you are an essential worker who needs financial assistance for emergency child care, complete the [COVID-19 Parent Application for Financial Assistance for Emergency Child Care](#) at this link and submit it to your child care provider. You can also fill out a hard copy of this form at your child care facility. The application is also available in Spanish [here](#).

Effective April 1, 2020, essential workers can get financial aid for child care through an Emergency Child Care Subsidy Program. Financial assistance will be offered for at least April and May.
